# 2018 IACAA Annual Conference

## PATHWAY to the PROMISE *of Community Action*

May 6th-8th, 2018  
Crowne Plaza Hotel  
Springfield, IL

Every year, IACAA hosts an annual conference to spread the word about our mission to strengthen, promote, represent and serve our Network of member Agencies to assure that the issues of poverty are effectively presented and addressed. This event is an invaluable opportunity to network with individuals and agencies who are interested in helping us fulfill the Promise of Community Action:

***“Community Action changes people’s lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.”***
